E-Service Appointed Authorised Service Centre For JCM Note Acceptor Range

Eurocoin are delighted to announce that their service division E-Service has been appointed as an Authorised Service Partner for JCM Global in the casino & gaming sector.

"We are very pleased that JCM have recognized the quality and efficiency of our service operation at E-Service" commented Company Director Colin Veitch. "We are now working closely with market leaders JCM Global to ensure we can extend fast and efficient service, spares and support across the range of JCM note acceptor products across the market"

Casino and gaming customers of Eurocoin who are currently operating JCM note acceptor products may now contact Eurocoin directly to purchase spare parts, or to return units for service, repair or upgrade.

For fuller details, email sales@eurocoin.co.uk or call our sales direct line on **+44 (0) 20 8275 3000**.
